Just send a message on WhatsApp, even at the last minute and without notice.

Boat tour

Want to see the coast from the sea? He'll book a trip for you, for example with Submania from Agropoli harbour: Trentova, Punta Licosa, Acciaroli, swimming and lunch on board.

Restaurant

He'll book you a table at the restaurants we recommend (you'll find them on the next page).

Car rental

Arrived by train? He'll find you a rental car for the days of your stay.

Station transfer

He'll pick you up from and take you back to Agropoli-Castellabate station, about 10 minutes away. There's also a 24-hour taxi in the area: ask Francesco for the number.

FRANCESCO'S TOP PICKS

Where to eat

Apart from breakfast we don't serve meals: here are the places we send our guests. If you like, Francesco will book the table for you.

OUR GUESTS' FAVOURITE · OSTIGLIANO, ABOUT 20 MIN

I Sapori del Cilento

Honest, zero-mile Cilento cooking: pasta handmade by the grandmother, meat from their own farm, and their own vegetables, olive oil and tomatoes. And old-fashioned prices: a margherita pizza costs about €4, and dinner for two comes to about €37. Our guests, especially those from abroad, love it.

Agropoli · seafront

Pizzeria Vincenzo Cantalupo

Great pizza right by the sea.

Agropoli · harbour

Il Vecchio Saracino

Seafood restaurant at the harbour.

Castellabate

Lo Sparviero

One of the restaurants we recommend most.

Castellabate

Bonora

Another address on Francesco's list.

Castellabate · aperitivo

Cliff Bar

A sunset aperitivo overlooking the sea: not to be missed.

WINE AND VILLAGE FESTIVALS

Wineries

For Cilento wine: **Cantina Luigi Maffini** and **Cantina De Conciliis**, with visits and tastings. Best to book ahead.

The old threshing festival

In July, about 2 km from the B&B, the Sagra dell'Antica Trebbiatura: traditional food and a village party. If you're here then, don't miss it.

WHAT TO SEE

Paestum, Agropoli, Castellabate

15 MINUTES AWAY

Paestum

The Greek temples of Magna Graecia and the **Archaeological Museum**, home to the famous Tomb of the Diver. Then buffalo mozzarella: at **Tenuta Vannulo** there are guided tours with tastings in the morning.

The idea: temples early in the morning, mozzarella for lunch, the pool in the afternoon.

10 MINUTES AWAY

Agropoli

Walk up to the **castle** at sunset for the view over the bay, then stay in the old town among little restaurants, music and bars. In the evening, stroll along the harbour and the seafront. Submania boat trips leave from the harbour.

25 MINUTES AWAY

Castellabate

The castle village, one of the most beautiful in Italy, with a viewpoint over the whole coast. Below is **Santa Maria** with its beaches; a little further south, **Ogliastro Marina** and Punta Licosa. Aperitivo at the Cliff Bar.

> **Careful in Paestum:** cars left in the free parking areas around the temples are often broken into. Only park in the **private paid car parks** and don't leave anything visible in the car.

THREE DAYS IN THE CILENTO

Francesco's advice

If you're staying a few days: **the temples of Paestum**, **the village of Castellabate** with its sea, and **Acciaroli**, a fishing village with a spectacular sea, which you can also reach by boat from Agropoli.

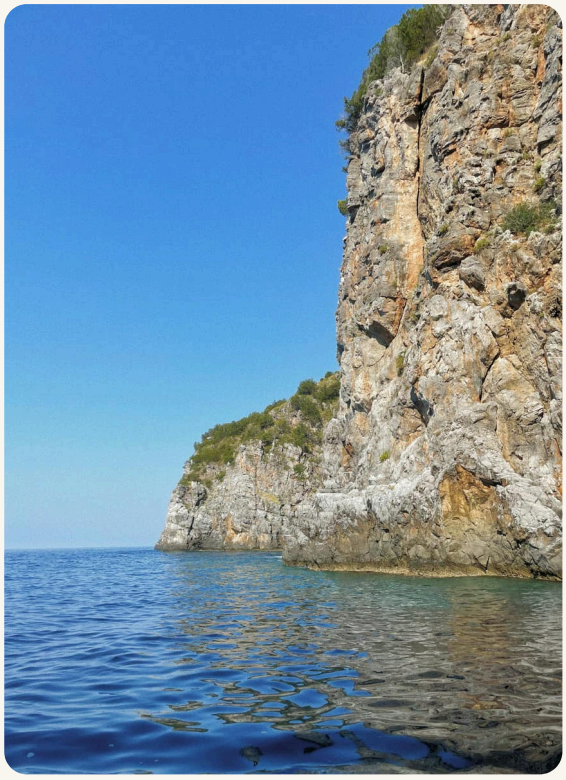

SEA AND NATURE

Beaches and trails

Francesco's favourite

Ogliastro Marina

About ten minutes beyond Castellabate, near Punta Licosa, with spectacular water. Free beach and a few beach clubs, such as Lido Sirena.

Trentova Bay · Agropoli	rocks, clear water
San Marco seafront · Agropoli	sand, beach clubs, free
Harbour beach · Agropoli	in town, on foot
Santa Maria di Castellabate	sand, shallow water

July and August: Agropoli and Castellabate are better than the sea at Paestum. In August set off early, the car parks fill up. For Trentova bring water shoes and a mask.

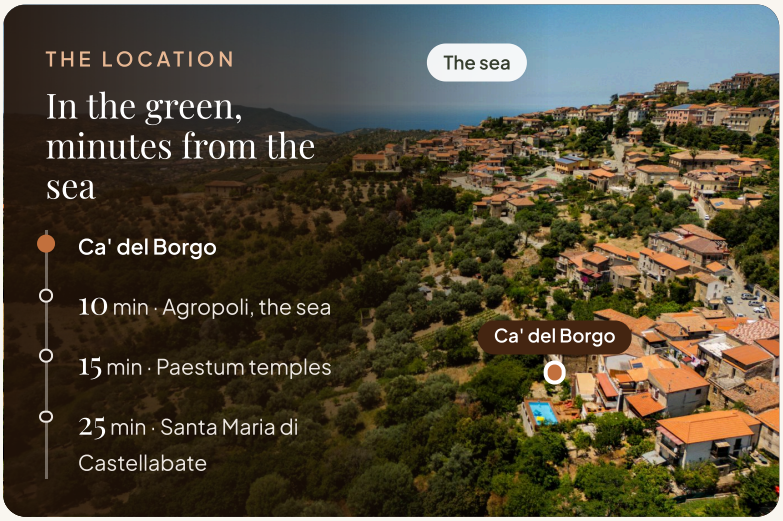

With a dog: Lido Aurora in Agropoli accepts small dogs; for dogs of any size there's Bau Bau Beach in Eboli.

Oasi Fiume Alento

Lake, trails and meadows, 10–15 minutes away. Suitable for everyone.

Gole del Calore

In Felitto: the river between rock walls and old bridges. A trail of about 1 hr 20 min.

USEFUL NUMBERS

Francesco	+39 335 17 56 328
Emergencies	112
24-hour taxi	ask Francesco
Agropoli station	about 10 min

The village lanes are narrow and sat navs sometimes pick very steep or tight roads: ask Francesco for the best route.
